Hi Point Rules:

The Hi Point Buckles will include points from all classes in each division. The points will follow each Horse & Handler team. You must be a member of Area VII club and attend 2 of the 3 Buckle Series shows for 2026.

An exhibitor is only eligible for ONE buckle. In a case where an exhibitor has earned 2 or more buckles, the category with the highest points earned by that exhibitor would be the buckle they will receive. The reserve winner will be awarded the buckle of the other category.

In case of a tie - The Horse/Handler team that has defeated a larger number of horses in their category will determine the tie breaker. If a tie should still occur, the horse/handler with the most points earned in their Halter Classes is awarded. If a tie should still occur, a coin toss will be done.
